George M. DeMartino
President

Since 1975 Aarco Products Inc. has manufactured a full range of **Visual Communication Products**. As a result of customer demand we have expanded our product line to include a full range of hospitality and crowd control products. As always our products are manufactured

according to the highest standard, yet maintaining competitive prices.

Whether you need a markerboard for your office or classroom, a menu board or display stand for your restaurant, or a luggage cart for your hotel lobby, Aarco Products will provide the best product at a fair and competitive price.

Additionally, if your needs require customization, our speciality department will assist you in designing the product that is right for you.

If you have already experienced our products and services, we thank you for your continued support.

If you have not, we welcome the challenge of making you a lifetime, satisfied customer.

Maverick Collection

Economy Series Chalkboards, Bulletin Boards and Markerboards are light duty but built to last.

Hardwood Frame with factory attached mounting hangers.

Size H & W	Natural Cork	Composition Chalkboard*	Melamine Markerboard
12" x 18"	EB1218	EC1218	EW1218
18" x 24"	EB1824	EC1824	EW1824
24" x 36"	EB2436	EC2436	EW2436
36" x 48"	EB3648	EC3648	EW3648

*When ordering chalkboards specify Black (B) or Green (G).

Example: 18"x24" Wood Frame with Black Chalkboard EC1824B

Aluminum Frame with factory attached mounting hangers. Full length trays on markerboards and chalkboards.

Size H & W	Natural Corkboard	Composition Chalkboard*	Melamine Markerboard
18" x 24"	AB1824	AC1824	AW1824
24" x 36"	AB2436	AC2436	AW2436
36" x 48"	AB3648	AC3648	AW3648

*When ordering chalkboards specify Black (B) or Green (G).

Example: 18"x24" Aluminum Frame with Black Chalkboard AC1824B

Hinged Door Units

Neat, simple and affordable. Aluminum Frame with choice of Natural Cork or Changeable Letter Board. An overlapping hinged door features an acrylic window and security lock.

Size H & W & D	Cork Board Model#	Letter Board Model#
18" x 12" x 1"	EBC1812	EDC1812
24" x 18" x 1"	EBC2418	EDC2418
36" x 24" x 1"	EBC3624	EDC3624
36" x 30" x 1"	EBC3630	EDC3630

“Ritz” Bulletin Boards with Radius Style Frames

The familiar natural cork surface with radius corners accented by a brown vinyl trim. Boards are equipped with three hangers for vertical or horizontal mounting.

Size H&W	Natural Cork Model#
12" x 36"	R1236
12" x 48"	R1248
18" x 24"	R1824
24" x 36"	R2436
36" x 48"	R3648

The “Ritz” Markerboard

Modern radius design highlights the bright markerboard surface. Dark brown vinyl perimeter trim is coordinated with a removable accessory tray. Board hangs either vertically or horizontally.

Size H&W	Melamine Model#
12" x 48"	RW1248
18" x 24"	RW1824
24" x 36"	RW2436
36" x 48"	RW3648
48" x 72"	RW4872

The “Ritz” Deco Series

The Ritz decorator series combines plush panel fabric with a smooth, frameless radius design that complements any interior. Thick fiber board is fabric wrapped with an upholstered edge.

- Color Coordinate • Hangs Vertically or Horizontally

Size H&W	Model#	Size H&W	Model#
18" x 24"	RF1824()	48" x 60"	RF4860()
24" x 36"	RF2436()	48" x 72"	RF4872()
36" x 48"	RF3648()		

Note: For ordering indicate color by adding letter shown next to color in parentheses. Black (BK), Mauve (M), Green(GN), Blue (BE), Beige (H) & Gray (G)

Example: 18"x24" Honey Beige Ritz Fabric RF1824H

COMBINATION BOARDS

Combination Boards

Combine your favorite writing surface with an accompanying natural cork bulletin board inside one complete frame with a full length accessory tray. This convenient board is both economical and compact for limited wall space installations.

Choose either a melamine markerboard or a chalkboard* writing surface. Both are available with a satin anodized aluminum or solid red oak frame with a high gloss lacquered finish.

Combination Corkboard/ Melamine Markerboard

 Satin anodized aluminum or solid red oak frame

REVERSIBLE FREE STANDING BOARDS

Free standing boards provide the ability to communicate wherever needed. The two sided board can be configured with a variety of surfaces to fit your needs. Choose from a selection of writing surfaces or natural cork tack board. The reversible board conveniently rotates and firmly locks in place for stability. Choose from a solid red oak wood frame with a high gloss lacquer finish or an aluminum frame with a clear satin anodized finish. Both frame styles are shipped KD and assemble easily with basic tools. Optional swivel casters provide extra mobility and are available with either plastic or non-skid rubber wheels.

Aarco Products Introduces Pure Glass Markerboards

Use our new glass markerboards to create a functional design element that will enhance any room with the elegant style of modern glass. These high performance boards are made of durable 1/4" tempered glass. Their high gloss, non-porous surface provides a silky smooth writing surface that cleans easily. The white background provides high contrast for vivid graphics and maximum visibility (Other background colors are also available).

Clear durable acrylic marker tray

Pure Glass Markerboards come with:

- Classic satin finished mounting stand-offs
- Clear durable acrylic marker tray for convenience
- Eraser and 4 Dry Erase Markers

Syncoat™ MAGNETIC DRY ERASE MARKERBOARDS

The unique New Syncoat™ writing surface offers exceptional stain and wear resistance. Because of Syncoats™ high gloss finish it also exhibits exceptional writing and erasing qualities.

Syncoat is a synthetic resin surface applied to light gauge steel in a carefully controlled process that provides a uniform finish.

Syncoat is available in a wide variety of sizes, all at a very moderate price. All sizes are full length without seams.

Standard features include:

- Satin anodized aluminum trim
- Matching full length accessory tray
- Molded safety end caps

Also available with full length 1" map rail with end caps

Specialty Markerboards with Fused Lines and Graphics

These patterns are permanently **fused** with the ceramic steel surface of our markerboards making them virtually indestructible when used under normal conditions. The imprinted lines and graphics are UV, wear and scratch resistant and because they are fused within the surface they do not interfere with normal marker use.

These patterns are offered both as independently framed units with full length accessory trays or as integral components of larger or combination boards and other products.

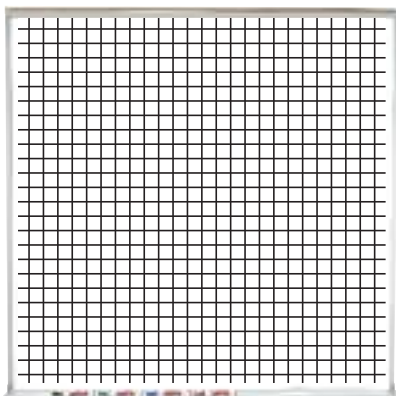

* Shown with optional map rail (See page 31 for map rails and accessories).
 Markers and eraser sold separately.

Renews old boards in minutes

Measure existing board

Provide your exact measurements and use next larger size for pricing. If existing board has a chalktray, measure from the top of the chalktray to the top of the frame. Then measure the exact outside width of the frame.

Place OverBoard over existing board (use adhesive where necessary)

Attach OverBoard with screws through pre-drilled holes in frame

OverBoard™ by Arco Products

Arco Products' Overboard resurfacing system is designed to easily install new porcelain surfaces over existing chalkboards, saving time and money. Units are custom fabricated to be congruent with the originally installed material, thus eliminating the need for removal.

- Eliminates costly labor to repair old frames and surfaces
- Eliminates costly labor and downtime related to asbestos removal from old structures
- Provides high performance retrofitting of old boards. Guaranteed for 50 years
- Surface is Arco porcelain on steel markerboard or chalkboard with 1/4" tempered hardboard core and .005 foil moisture seal
- Framed on four sides with satin anodized aluminum
- Install in minutes with pre-drilled holes over existing frame
- Writing surfaces are guaranteed for 50 years
- Adhesive supplied for spotting on old surface
- V3 high gloss surface is standard
- V2 low gloss markerboard surface is also available (requires regular cleaning for optimum performance)

When ordering provide your exact measurements and use next larger model number. For pricing, exact measurement must be provided. Specify color when ordering.

Standard Sizes	Model#
4' h x 6' w	OVB4872
4' h x 8' w	OVB4896
4' h x 10' w	OVB48120
4' h x 12' w	OVB48144
4' h x 16' w	OVB48192

- Example:
- Actual size as measured 34 3/8" h x 70 1/2" w
 - Choose OVB4872 for pricing
 - Order OVB 34 3/8" h x 70 1/2" w
 - Specify optional V2 surface when ordering.
- Example: OVB 34 3/8" h x 70 1/2" w V2 .

MAP AND DISPLAY RAILS

Map rails are an economical method of displaying notes, charts, pictures, artwork and other important display materials. Commonly found in classrooms where accessories are used to hold flags, maps and projection screens. Also great for corridors and conference rooms.

Map rails are also great for displaying seasonal cards, photographs and announcements.

Choose from 1" high or 2" high in various lengths to best meet your needs. Map rails are made of high quality extruded aluminum with a satin anodized finish. All rails are equipped with Tan Cork which does not shrink or discolor over time, and aluminum end caps. Also available is our new 3" display rail which has all the displaying qualities as our 1" and 2" map rails, however is not equipped for accessories.

Paper Grippers

Paper Grippers™ are useful when push pins or thumb tacks are not convenient or could damage the display materials. The Gripper uses gravity to hold small vinyl rolls down, thus trapping paper sheets inside the specially designed extrusion. To remove paper, simply push up to release the rollers' grip and move the paper in a circular motion until it is free.

Choose the Little Gripper for paper gripping requirements or the Big Gripper which also incorporates all of the features found in the 2" map rail, including the benefits of the map rail accessories which are sold separately.

HORIZONTAL SLIDING UNITS

Horizontal Sliding Units maximize the use of valuable wall space. They can be configured with up to four sliding markerboards and one full width tackboard in the same amount of space as one traditional board.

These high performance units are equipped with up to four sliding premium Vitre Steel porcelain markerboards (*chalkboards also available see below) and one stationary full width tackboard. The boards travel smoothly on nylon top mounted roller tracks (See Figure 1) and are held fast in place by the bottom mounted guide bearings (See Figure 2) allowing the user to easily position the boards as needed.

Built to last, they are constructed with durable heavy gauge aluminum trim with an attractive anodized finish. The back fixed full width panel has a 1/4" thick natural cork posting surface.

OPTIONAL FEATURES:

#10-222 Chalk tray / #10-325 Map rail

	2 TRACK UNITS	3 TRACK UNITS	4 TRACK UNITS
Size	Model#	Model#	Model#
4' h x 8' w	HSU48-2	HSU48-3	HSU48-4
4' h x 12' w	HSU412-2	HSU412-3	HSU412-4
4' h x 16' w	HSU416-2	HSU416-3	HSU416-4

*Also available with Green Porcelain Chalkboards. To order, specify by adding "C" to model. Example: HSU48-2C. Custom sizes and configurations available.

Figure 1

Figure 2

Frameless

These units provide all the same features as our horizontal sliding units, but are supplied without the housing, making them ideal to install recessed in a wall, in a pre-existing, custom cabinet or case work. Durable rubber stops are provided to prevent sliding panels from coming into contact with existing surface.

- Series 10-170C** Two track units 4" Deep
- Series 10-171C** Three track units 6" Deep
- Series 10-172C** Four track units 6" Deep

Floor Mounted Units with Full Vertical Movement

Vertical Sliding Units are efficiently designed to maximize the use of valuable wall space. Equipped with two premium Vitre Steel porcelain markerboards with ultra light honeycomb backing that are counterbalanced and can be raised or lowered smoothly with fingertip ease. A third rear stationary markerboard can be fully exposed by positioning the two sliding boards behind the fixed kick panel. Kick panels are equipped with attractive Burlap Weave vinyl which is durable and washable.

- V3 high gloss surface is standard
- V2 low gloss markerboard surface is also available (requires regular cleaning for optimum performance)

Specify optional V2 surface when ordering.
 Example: 10' x 8' markerboard with optional V2 surface FFVSU96-2V2.

Size	Model#
10' H x 8' W	FFVSU96-2
10' H x 12' W	FFVSU144-2
10' H x 16' W	FFVSU192-2

Custom sizes and configurations available.

Fixed rear panel is completely exposed. Educators can prepare multiple lessons ahead of time and if they wish, keep them out of sight by lowering the sliding panel. Then when they are ready to display this portion they simply raise the panel.

Panels slide down behind the kick panel. The sliding panel lifts smoothly and easily thanks to the precision counter balancing and glide system. It takes little more than a finger to raise or lower the panel.

High Performance

Markers and erasers not included

Hide a panel design

Sliding panels disappear behind the decorative kick panel providing multi-media capability

Fixed rear panel transforms into a multimedia cinema

Optional Fixtures

Models are also available without a back panel allowing you to install it in front of a closet or shelving, providing access to storage. This design can also be used to place in front of and interactive display providing even more flexibility while protecting it when not in use.

CONFERENCE CABINETS

Aarco Products' Conference Cabinets are perfectly suited to blend with traditional and contemporary interiors. Choose from three standard laminates or hand finished hardwood veneers each available in Oak, Walnut or Cherry.

Standard units are 36" high x 48" wide or 48" high x 48" wide when closed. Doors open on continuous hinges to reveal a porcelain on steel markerboard center panel and fabric covered board on the inside of each door. The left side door features a chart clamp that holds un-punched paper pads up to 19" wide. The center section also features a fully concealed, retractable projection screen.

All units have an overall depth of 5" and hang securely on concealed mounting brackets. Markers, erasers and other supplies may be stored inside while doors are held shut by magnetic catches.

Note: Custom laminates on request

AarcoVision™ Projection Screens are available as Wall Mounted or Floor Standing models. All are available in Matte white surface with black borders.

Motorized, Electronically Operated Projection Screens

Aarco Products' Motorized Projection Screens offers advanced motor system that is smooth, quiet and fast. Standard units feature "plug-in" electronic connections for fast, convenient installation. Units are equipped with an in-line control panel that mounts easily to any wall surface. Impress your audience with AracoVision's optional VHF wireless remote that allows full operation of the screen from up to 50 feet away. Great for classrooms, conference rooms, cinemas and presentation rooms. Units are equipped with factory attached brackets for mounting on ceilings or walls.

Pre-wired controls and plug allow for easy installation. (Hard wiring not required)

ENCLOSED CHANGEABLE LETTER BOARDS

with Red Oak Frame

Aarco Products' Red Oak Enclosed Changeable Letter Boards are made of solid North American Red Oak, milled to perfection and finished with a high gloss clear lacquer.

Corners are crafted with hairline mitres and sturdily fastened for a durable, long life.

Standard features include: Lockable doors, acrylic safety glass windows, continuous hinges, concealed mounting brackets and a felt covered grooved panel that accepts plastic letters with tabs positioned at 1/4" centers. Use Aarco universal single tab changeable letters see page 39.

Units are available in natural oak finish or stained in either walnut or cherry. All have a high gloss clear lacquer finish.

Add your personalized inscription to any of our perfectly manufactured cabinets. Headers are white, opaque acrylic with black cut vinyl letters. Standard typeface is Clear Gothic. See page 53.

Tempered glass doors available as an option.

PLASTIC LUMBER MESSAGE CENTERS

New!

Now Available with LED Lighting

Aarco Plastic Lumber Outdoor Message Centers are built to last. The plastic lumber material is weatherproof, durable and available in five attractive colors. It is also environmentally friendly in that it is made from recycled material. They can be easily mounted to walls or you can choose the optional matching posts for free standing applications.

Now available with LED lighting, call for more information.

Choose from three styles: Sliding Door, Hinged Door and Top Hinged Door. Available in Tackboard or Changeable Letterboard.

Five Colors: Offered In The Following Colors:

All Letter Board models come complete with 1 Free set of 3/4" Helvetica letters and assortment tray.

Sliding Door Message Centers

Sliding door models offer a fully viewable display surface. Choose from changeable letter panels or vinyl covered cork tackboard surface (custom colors available). The two sliding doors open and close smoothly thanks to the precision rollers. Keep your contents secure with the specially designed sliding door lock which includes two keys.

AARCO PRODUCTS, INC.

Limited Warranty

Aarco Products merchandise is warranted to the original purchaser for a period of one year from the date of purchase against defects in the material or workmanship as to the board/cabinet components. The word "defects" as used in this warranty, is defined as imperfections which impair the utility of the product.

This warranty is expressly limited to the replacement of board/cabinet components having defects. If the board/cabinet component is defective within the terms of warranty, Araeco Products will furnish a replacement board/cabinet component at no cost. No assembly labor is included. All Araeco "Vitre" Steel porcelain is guaranteed not to wear for life, when used as directed (see enclosed usage instructions).

This warranty applies under conditions of normal use, but does not apply to defects that result from intentional damage, negligence, unreasonable use or exposure.

All implied warranting arising under state law are limited in duration to the one year period of this warranty. Some states do not allow limitations on how long an implied warranty last, so the above limitation may not apply to you.

TERMS

- All Merchandise shipped F.O.B. factory.
- Returns and cancellations must be authorized in advance and are subject to round trip shipping charges and restocking fees. Products being returned must be in saleable condition with all original packaging. Custom items cannot be cancelled or returned.
- Damages must be noted on freight bill and reported immediately.
- Terms are 1%/10 net 30 days on pre-approved accounts.
- Delinquency charges of 1 1/2% per month will be charged on all late remittances
- Most major credit cards accepted.
- Confirmations and duplicate orders are the buyer's responsibility.
- Product material colors and finishes may vary from catalog pictures and or previous purchases.
