why PERFORMANCE PLASTICS

Commercial bathroom partitions are placed in harsh, high traffic environments that tend to be damp, making the materials susceptible to mold, mildew and rust. It is also common to encounter graffiti and vandalism in these public spaces.

It is important to invest in a worry-free product that will save you time and money.

Solid plastic partitions are built to last, down to every detail. Graffiti can be easily wiped clean with a common non-abrasive cleaner, and since Scranton Products performance plastic is formulated with a solid color throughout, scratches are difficult to see. Compared to other traditional material types, performance plastic has greater resistance to impacts and dents providing you with a low maintenance restroom that will look great for years.

Eclipse Partitions – Color: Stainless, Texture: Rotary Brushed
Configuration: Floor Mounted Overhead Braced, Height: 55" Standard Panels & Doors
Urinal Screens – Color: Stainless

IMPACT AND DENT RESISTANCE TEST RESULTS

Depth of Impact

An impact test conducted following ASTM standards showed that Scranton Products performance plastic has 59 times greater resistance to impact when compared to metal.

Patent Pending

NO PAINTING

Scranton Products partitions are solid color throughout and will never require painting.

EASY GRAFFITI REMOVAL

Graffiti can be easily wiped clean with a common, non-abrasive cleaner.

CLEANER, HEALTHIER RESTROOMS

Impermeable to moisture, solid plastic's non-porous surface does not support the growth of mold and mildew and will never rust.

NATURALLY GERM RESISTANT

Scranton Products performance plastic partitions are naturally resistant to common bacteria including MRSA. Testing has shown that after 24 hours, 98.4% of MRSA died off the surface of solid plastic without the use of cleaning solutions or antimicrobial additives. What's more, Scranton Products partitions are fully power washable and steam cleanable.

privacy by **DESIGN**

- Multiple hardware options
- Numerous design configurations
- High privacy options

the **CLASSIC** CONSTRUCTION

Hiny Hiders Partitions – Color: Black, Texture: Grip EX, Hardware: 8" Wrap Around Hinge
Configuration: Floor Mounted Overhead Braced, Height: 55" Standard Panels & Doors

FLOOR MOUNTED OVERHEAD BRACED

This classic style provides the most economical solution for high traffic areas, where durability is a top priority. Easy installation in new construction or existing buildings makes this a versatile style option.

8" WRAP AROUND HINGE

This hinge provides the most durable and economical solution for any application.

GRIP EX TEXTURE

This texture provides additional protection in high traffic areas where graffiti is a concern.

fast
EASY
MAINTENANCE

Hiny Hiders Partitions – Color: Bronze, Texture: Hammered, Hardware: Regal Hinge
Configuration: Ceiling Hung, Height: 55" Standard Panels & Doors

CEILING HUNG

This style offers an area free from obstruction to allow for fast and easy maintenance. The system requires structural supports in the ceiling for maximum rigidity.

120" Maximum Ceiling Height

REGAL HINGE

This hinge provides a modern, bold design element and is perfect for adding a uniquely handsome and upscale finish to your bathroom stall.

HAMMERED TEXTURE

This texture creates a bold dimension to any color and really stands out when paired with our metallic color collection.

adds **SUPERIOR** STRENGTH

Hiny Hiders Partitions – Color: Mahogany, Texture: Orange Peel, Hardware: Stealth Integral Hinge
Configuration: Floor To Ceiling, Height: 55" Standard Panels & Doors

FLOOR TO CEILING

This style provides an extra measure of stability in restrooms. Maximum rigidity is achieved when structural supports are present in the ceiling.

120" Maximum Ceiling Height

STEALTH INTEGRAL HINGE

This hinge is a perfect hardware match for a space seeking a minimal design aesthetic.

ORANGE PEEL TEXTURE

This texture pairs great with any color choice and will compliment any environment.

VANITIES

Scranton Products solid plastic vanity tops combine durability with long-lasting good looks. Offered in a wide variety of colors, our vanities provide an opportunity for you to match your partitions and compliment your overall design.

Our vanity tops have no absorption of water and resist mold, mildew and odors. They are easy to clean and resist soap stains, making them the ideal addition to your bathroom and will provide many years of worry-free performance.

SHOWER DIVIDERS

Scranton Products manufactures shower cubicles that are designed to perform in public shower areas. Solid plastic has no absorption of water and resists mold, mildew and odors. It is easy to clean and resists soap stains, making it the ideal material for your shower application.

Our shower cubicles feature an integrated headrail designed to accommodate optional curtain hooks and curtains eliminating the need for additional curtain rods.

DRESSING COMPARTMENTS

Our dressing compartments come in a wide variety of colors and textures providing many design options to compliment your décor. Scranton Products performance plastic plastic resists dents, scratches, corrosion and graffiti which means customers save time, hassle and maintenance costs.

Our dressing compartments feature an integrated headrail designed to accommodate optional curtain hooks and curtains eliminating the need for additional curtain rods.

EASY ON THE ENVIRONMENT

When you choose Scranton Products performance plastic materials, you are supporting a healthier environment. Our partitions reduce industrial waste by using a blend of virgin and pre and post-consumer recycled content to produce a high quality product that is 100% recyclable.

Our GREENGUARD Gold Certified partitions meet strict criteria for products intended for use in environments where children spend significant periods of time. Because our partitions never need painting, they do not contribute to VOC emissions, which improves both indoor and outdoor air quality. In addition, they can be power-washed or steam cleaned, eliminating the need for harmful chemical cleaners.

WE DON'T JUST TALK TOUGH.
WE BACK IT UP.

Proudly made in the USA,
Scranton Products' brands provide
industry leading protection.

We are so confident that our plastic
partitions will stand the test of time
that they are backed with a full 25-
year warranty covering breakage,
corrosion and delamination under
normal conditions.
